

15th & 16th November 2010

Emergency First Aid / Outdoor First Aid

Thank you for choosing to complete your First Aid Course with **Fieldskills Ltd.**

We intend the following document to contain all the information you need before the course. Having said that if we have omitted any detail or you require further assistance, then please give us a call on **0845 293 7296** or email admin@fieldskills.com. Should you need to contact our trainer on the day for any reason, please contact Dominic on 07759833849.

If you are booked on to the one day Emergency First Aid Course please ignore the Day 2 information below – this is only for people completing both days of the Outdoor Incident Management First Aid course.

It is important you have a read through this information to ensure you know what to expect and have appropriate clothing etc on the day.

What to expect and what to bring

All Fieldskills courses involve some practical elements. In the case of first aid this may be just some bending and lifting inside the classroom, in other courses this may involve working outside in rough or even remote terrain. Clients are reminded of the importance of operating within their abilities and informing Fieldskills of any medical or other issues which may affect their active participation.

Clients should also understand that all outdoor activities are potentially hazardous and that they are obligated to agree to abide by safe practice as instructed.

This course is a combination of teaching and hands on practical sessions. Any clients who are unable to take part in activities such as kneeling, being rolled over as a simulated casualty or simulated CPR on manikins should let us know.

CLOTHING: Please bring clothing suitable for being active and outdoors (i.e. warm & waterproof)

ID: For the purpose of certification please bring a form of ID such as passport, driving licence etc.

Note that the first aid is certified by ITC (HSE Approval Number 1670/96).

Location

By Train

The nearest railway station is Didcot Parkway which is accessible on the mainline from London. It is easiest to pick up a taxi from there which is inexpensive, especially if you club together with others arriving by train.

By Car

The venue is about 10 miles South East of Oxford. There is a map available on the Northmoor Trust website: http://www.northmoortrust.co.uk/home/contact/map_page or alternatively the address is The Northmoor Trust, Hill Farm, Little Wittenham, OXON, OX14 4QZ

When you get nearby it is easiest to follow the brown tourist signs to **Project Timescape** which is at the Northmoor Trust.

On arrival turn into the main grassed car park and walk up the steps. We will be in the building next to the Project Timescape exhibition signed Northmoor Trust offices.

Course content and timetable

The course will run from **09.00 to 18.00** each day
